The words "will," "believe," "intend," "expect," "anticipate," "project," "estimate," "predict" and similar expressions are also intended to identify forward looking statements. These forward looking statements include, among others, statements with respect to Build America's:

These statements are based on certain assumptions and analyses made by Build America in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors believed to be appropriate in the circumstances. However, whether actual results and developments will conform with its expectations and predictions is subject to a number of risks and uncertainties that could cause actual results to differ materially from expectations, including:

- actions taken by ratings agencies from time to time, such as financial strength or credit ratings downgrades or placing ratings on negative watch; and
- other factors, most of which are beyond Build America's control.

Consequently, all of the forward looking statements made in this report are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by Build America will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on Build America or its business or operations. Build America assumes no obligation to update publicly any such forward looking statements, whether as a result of new information, future events or otherwise.

#### **Company Profile**

Build America Mutual Assurance Company ("Build America" or the "Company") is a New York domiciled mutual financial guaranty insurance company. The Company was capitalized on July 17, 2012 and received its license to write financial guaranty insurance from the New York State Department of Financial Services and commenced operations on July 20, 2012. Build America is also licensed in the District of Columbia and the remaining 49 states. Build America's financial strength and counterparty credit ratings of 'AA/Stable Outlook', from Standard & Poor's Ratings Services, were reaffirmed on June 25, 2021. Build America is not licensed to write financial guaranty insurance in Puerto Rico or any other territory or possession of the United States and it has no exposure to debt issued in Puerto Rico or any other territory or possession of the United States.

The first mutual bond insurance company, Build America is owned by and operated for the benefit of the cities, states and other municipal agencies—the municipal issuers—that use the Company's 'AA/ Stable Outlook' rated financial guaranty to lower their cost of funding in the U.S. municipal market.

Build America benefits from both first loss and excess of loss reinsurance protection provided by HG Re, Ltd. ("HG Re"), The first loss reinsurance protection is provided via a reinsurance treaty (the "First Loss Reinsurance Treaty"), whereby HG Re assumes losses in an amount up to 15% of the par outstanding for each insurance policy. The excess of loss reinsurance treaty (the "Excess of Loss Reinsurance Treaty") provides last dollar protection for exposures on municipal bonds insured by the Company in excess of regulatory single issuer limits, subject to an aggregate limit equal to \$75,000,000. HG Re's obligations under the reinsurance treaties are secured by, and limited to the value of the assets held in HG Re Collateral Trusts, which include a beneficial interest in the Company's Series 2018 Surplus Notes as well as other high quality assets, which are pledged for the benefit of Build America.

In addition to the reinsurance protection provided by HG Re, BAM is also party to collateralized excess of loss reinsurance provided by Fidus Re, Ltd. ("Fidus"), a Bermuda based special purpose insurer formed in 2018 solely to provide reinsurance protection to BAM. Fidus was initially capitalized via the issuance of \$100,000,000 of insurance linked securities. The Fidus 2018-1 reinsurance agreement provides reinsurance for 90% of aggregate losses exceeding \$165,000,000 on a portion of BAM's financial guarantee portfolio up to a total reimbursement of \$100,000,000. In February 2021, BAM executed the Fidus 2021-1 collateralized excess of loss reinsurance transaction with Fidus via the issuance of \$150,000,000 of insurance linked securities. The Fidus 2021-1 reinsurance agreement provides reinsurance for 90% of aggregate losses exceeding \$135,000,000 on a portion of BAM's financial guarantee portfolio up to a total reimbursement of \$100,000,000 on a portion of BAM's the issuance of \$150,000,000 of insurance linked securities.
