CAUTIONARY STATEMENT REGARDING FORWARD LOOKING STATEMENTS

The information contained in this report may contain "forward looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical facts, included or referenced in this report which address activities, events or developments which Build America Mutual Assurance Company ("Build America" or the "Company") expects or anticipates will or may occur in the future are forward-looking statements. The words "will," "believe," "intend," "expect," "anticipate," "project," "estimate," "predict" and similar expressions are also intended to identify forward looking statements. These forward looking statements include, among others, statements with respect to Build America's:

- changes in U.S. statutory basis surplus or claims paying resources;
- business strategy;
- financial and operating targets or plans;
- incurred losses and the adequacy of its loss and loss adjustment expense reserves and related reinsurance;
- projections of revenues, income (or loss), earnings (or loss), dividends, market share or other financial forecasts:
- expansion and growth of its business and operations; and
- future capital expenditures.

These statements are based on certain assumptions and analyses made by Build America in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors believed to be appropriate in the circumstances. However, whether actual results and developments will conform with its expectations and predictions is subject to a number of risks and uncertainties that could cause actual results to differ materially from expectations, including:

- claims arising from catastrophic events, such as hurricanes, earthquakes, floods or terrorist attacks;
- the continued availability of capital and financing;
- general economic, market or business conditions;
- business opportunities (or lack thereof) that may be presented to it and pursued;
- competitive forces, including the conduct of other property and casualty insurers and reinsurers;
- changes in domestic or foreign laws or regulations, or their interpretation, applicable to Build America, its competitors or its clients;
- an economic downturn or other economic conditions adversely affecting its financial position, including the impact of the COVID-19 pandemic;
- recorded loss reserves subsequently proving to have been inadequate;
- actions taken by ratings agencies from time to time, such as financial strength or credit ratings downgrades or placing ratings on negative watch; and
- other factors, most of which are beyond Build America's control.

Consequently, all of the forward looking statements made in this report are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by Build America will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on Build America or its business or operations. Build America assumes no obligation to update publicly any such forward looking statements, whether as a result of new information, future events or otherwise.

Quarterly Operating Supplement March 31, 2021

Company Profile

Build America Mutual Assurance Company ("Build America" or the "Company") is a New York domiciled mutual financial guaranty insurance company. The Company was capitalized on July 17, 2012 and received its license to write financial guaranty insurance from the New York State Department of Financial Services and commenced operations on July 20, 2012. Build America is also licensed in the District of Columbia and the remaining 49 states. Build America's financial strength and counterparty credit ratings of 'AA/Stable Outlook', from Standard & Poor's Ratings Services, were reaffirmed on June 29, 2020. Build America is not licensed to write financial guaranty insurance in Puerto Rico or any other territory or possession of the United States and it has no exposure to debt issued in Puerto Rico or any other territory or possession of the United States.

The first mutual bond insurance company, Build America is owned by and operated for the benefit of the cities, states and other municipal agencies—the municipal issuers—that use the Company's 'AA/ Stable Outlook' rated financial guaranty to lower their cost of funding in the U.S. municipal market.

Build America benefits from both first loss and excess of loss reinsurance protection provided by HG Re, Ltd. ("HG Re"), The first loss reinsurance protection is provided via a reinsurance treaty (the "First Loss Reinsurance Treaty"), whereby HG Re assumes losses in an amount up to 15% of the par outstanding for each insurance policy. The excess of loss reinsurance treaty (the "Excess of Loss Reinsurance Treaty") provides last dollar protection for exposures on municipal bonds insured by the Company in excess of regulatory single issuer limits, subject to an aggregate limit equal to \$75,000,000. HG Re's obligations under the reinsurance treaties are secured by, and limited to the value of the assets held in HG Re Collateral Trusts, which include a beneficial interest in the Company's Series 2018 Surplus Notes as well as other high quality assets, which are pledged for the benefit of Build America.

In addition to the reinsurance protection provided by HG Re, BAM is also party to collateralized excess of loss reinsurance provided by Fidus Re, Ltd. ("Fidus"), a Bermuda based special purpose insurer formed in 2018 solely to provide reinsurance protection to BAM, Fidus was initially capitalized via the issuance of \$100,000,000 of insurance linked securities. The Fidus 2018-1 reinsurance agreement provides reinsurance for 90% of aggregate losses exceeding \$165,000,000 on a portion of BAM's financial guarantee portfolio up to a total reimbursement of \$100,000,000. In February 2021, BAM executed the Fidus 2021-1 collateralized excess of loss reinsurance transaction with Fidus via the issuance of \$150,000,000 of insurance linked securities. The Fidus 2021-1 reinsurance agreement provides reinsurance for 90% of aggregate losses exceeding \$135,000,000 on a portion of BAM's financial guarantee portfolio up to a total reimbursement of \$150,000,000.

The Company became a member of the Federal Home Loan Bank of New York on June 13, 2019.
