#### CAUTIONARY STATEMENT REGARDING FORWARD LOOKING STATEMENTS

The information contained in this report may contain "forward looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical facts, included or referenced in this report which address activities, events or developments which Build America Mutual Assurance Company ("Build America" or "BAM") expects or anticipates will or may occur in the future are forward-looking statements. The words "will," "believe," "intend," "expect," "anticipate," "project," "estimate," "predict" and similar expressions are also intended to identify forward looking statements. These forward looking statements include, among others, statements with respect to Build America's:

- changes in U.S. statutory basis surplus or claims paying resources;
- business strategy;
- financial and operating targets or plans;
- incurred losses and the adequacy of its loss and loss adjustment expense reserves and related reinsurance;
- projections of revenues, income (or loss), earnings (or loss), dividends, market share or other financial forecasts;
- expansion and growth of its business and operations; and
- future capital expenditures.

These statements are based on certain assumptions and analyses made by Build America in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors believed to be appropriate in the circumstances. However, whether actual results and developments will conform with its expectations and predictions is subject to a number of risks and uncertainties that could cause actual results to differ materially from expectations, including:

- claims arising from catastrophic events, such as hurricanes, earthquakes, floods or terrorist attacks;
- the continued availability of capital and financing;
- general economic, market or business conditions;
- business opportunities (or lack thereof) that may be presented to it and pursued;
- competitive forces, including the conduct of other property and casualty insurers and reinsurers;
- changes in domestic or foreign laws or regulations, or their interpretation, applicable to Build America, its competitors or its clients;
- an economic downturn or other economic conditions adversely affecting its financial position;
- recorded loss reserves subsequently proving to have been inadequate;
- actions taken by ratings agencies from time to time, such as financial strength or credit ratings downgrades or placing ratings on negative watch; and
- other factors, most of which are beyond Build America's control.

Consequently, all of the forward looking statements made in this report are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by Build America will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on Build America or its business or operations. Build America assumes no obligation to update publicly any such forward looking statements, whether as a result of new information, future events or otherwise.

#### Company Profile

Build America is a New York domiciled mutual financial guaranty insurance company. The Company was capitalized on July 17, 2012 and received its license to write financial guaranty insurance from the New York State Department of Financial Services (the "Department") and commenced operations on July 20, 2012. Build America is also licensed in the District of Columbia and the remaining 49 states. Build America's financial strength and counterparty credit ratings of 'AA/Stable Outlook', from Standard & Poor's Ratings Services, were reaffirmed on July 31, 2014. Build America is not licensed to write financial guaranty insurance in Puerto Rico or any other territory or possession of the United States and it has no exposure to debt issued in Puerto Rico or any other territory or possession of the United States.

The first mutual bond insurance company, Build America is owned by and operated for the benefit of the cities, states and other municipal agencies—the municipal issuers—that use the Company's 'AA/Stable Outlook' rated financial guaranty to lower their cost of funding in the U.S. municipal market.

Build America's insured portfolio benefits from a first loss reinsurance treaty with HG Re Ltd. ("HG Re"), a Bermuda domiciled special purpose insurance company. Build America is HG Re's sole primary insurer, and HG Re currently does not assume risks from any other insurers or reinsurers. Under the terms of the first loss reinsurance treaty, HG Re assumes all of Build America's directly insured losses in an amount up to 15% of the par outstanding for each insured obligation. HG Re's obligations under the reinsurance agreement are secured by, and limited to the value of, assets held in trust, which are pledged for the benefit of Build America.

#### Weighted Average Rating

#### Duration of Fixed Income Investment Portfolio

Ratings Distribution of Fixed Income Investment Portfolio<sup>(2)</sup> As of December 31, 2014 AA-

2.43 years

 Represents the annualized ratio of U.S. Statutory basis investment income (gross of investment expenses) to the weighted average U.S. Statutory basis invested asset balance for the twelve months ended December 31, 2014.

(2) Ratings are based on the lower of Standard & Poor's or Moody's rating. Rating distribution is calculated based on fair value.

(3) Based on fair value.

#### <u>Glossary</u>

- Contingency reserve a mandatory reserve required by New York State Insurance Law and the insurance laws of the other states in which BAM is licensed. The mandatory contingency reserve is a liability established to protect policyholders against the effect of adverse economic developments or cycles or other unforeseen circumstances.
- First loss reinsurance collateral trusts trusts established by HG Re for the benefit of BAM, which are secured by high quality collateral and are available to fund reinsurance claims.
- Gross par written the principal amount of obligations insured during the period, excluding the effect of the first loss reinsurance treaty with HG Re.
- New issue a bond for which a BAM insurance policy was purchased by the issuer prior to the bond's issuance. New issue bonds are issued and sold in the market with BAM insurance protection in place.
- Secondary market a bond that was initially issued in the market without a BAM insurance policy for which a BAM insurance policy was subsequently purchased by the owner of that bond.
- Gross risk premiums written a fee charged by BAM to insure the contractual principal and interest of a bond.
- Member surplus contribution a fee charged by BAM for the bond issuer to become a member of BAM.
- Gross par outstanding amount of remaining future contractual bond principal insured by BAM.
